Ok side door is not improper nor is back door both are how all schools fund their special programs or needs. Nevertheless we can apply to some of his top choices that are above his qualifications but the chances of getting in would be limited.

Thanks. If a " backdoor" is a donation to the school or something like that I do not want to do anything improper and I am ambivalent whether we should tell [REDACTED] or not. I do not want to ruin his motivation or make him feel he did not accomplish on his own merit. On the other hand I do not want it keep stuff from him. Any thoughts?

Are college visits typically during the weekend or weekdays?

For Our discussion

School choices -- ***** schools with that notation will need to be done through the side door as [REDACTED] is not close with his grades and scores.

Hi Rick,
greetings from south africa..i am here for a quick
business trip, and will be back sunday. so i look forward
seeing you on monday for our usual get together with
██████████

One thing i would like to resolve is the choice of which
colleges to visit in the spring break for ██████████

1. which colleges should we visit?

2. When? ██████████ is on spring break from March 8 th the
23rd. I will be in brussell on wed12-thrusday13, so I
could visit colleges on the east coast (or west coast) the
weekend and monday (8-11), or when i am back sat15
all week until the 23. what do you suggest?

Once we decide where and when, we can contact the
colleges for logistics and also i can get going with
airplane tickets and all that♦.

let me know what you think and thank you for all your
help!
